

2011 St. Cletus Track and Field Volunteer Schedule

Please review the volunteer schedule for your assigned slot. We tried to accommodate requests where possible. If you have more than one athlete in your family, you may have been assigned more than one meet. If you are unable to work your assigned time, please find a substitute and let Liz Valdes know who is taking your spot. Please note that we do not yet know how many volunteers we need for each meet, so we may be asking for more help as we get closer to the meets.

On the day of your meet, **JV volunteers**, check in with Diane Krecek; **varsity volunteers** check in with Liz Valdes. We will send a reminder email out before each meet to assigned volunteers. This email will include an overview of what you are scheduled to do. Please read it carefully before coming to the meet.
